How to Enter

This is intended to be a learning experience. Beginners are especially encouraged to enter.

Entries are open only to PSA Members who have not earned a PSA Star Rating in 3D, and who have never previously won a medal at a PSA 3D Division Non-Star Competition. A PSA Star Rating in 3D requires 18 acceptances from at least 6 titles in PSA recognized 3D Exhibitions. Anyone who has earned at least 18 acceptances from at least 6 titles in PSA recognized 3D Exhibitions is not eligible to enter, even if they have never applied for their Star Rating.

Submit entries online at <https://www.3dpdx.org/entry-nonstar.html>. After entering online, images may optionally be uploaded online or mailed to the Competition Chair (refer to Specifications for Electronic Images). Please contact the Competition Chair (listed above) with any comments or questions.

Sections

There is a single digital Open section. Each eligible photographer may enter up to four stereoscopic (3D) photographs. Any photograph that has ever won a medal or honorable mention in any PSA recognized Exhibition may not be entered in this Non-Star Competition.

Fees

There is no entry fee.

An entrant may enter a maximum of four images. There is no restriction as to subject matter.

Any questions about entry requirements or problems with online entry may be emailed to herbw@wiskit.com. However, please do **not** send entry forms via email (please use the web instead).
